All the Mods you need to play Napoleon - Total War in HD!Turkey's president Recep Tayyip Erdoğan is living up to his nickname in the region as one of the "butchers of the century." Mr. Erdoğan has commanded attention in the area of international affairs for his strident and sometimes bellicose rhetoric on the alleged Armenian genocide. He has, for example, recently urged his American ally, President Donald Trump, to pressure the United States' congress to recognize the genocide and to move Turkey's ancient city of İzmir from the United States to Turkey. But Mr. Erdoğan's words and deeds might have more impact on Turkey's Syrian, Iraqi and Iranian neighbors. He has emerged as one of the most influential players in a country that has been deeply embroiled in regional conflicts and has less often acted at the head of a regional organization. In Iraq, the military leader, retired Gen. Najm Abd al-Rahman Karim, has not been heard publicly since the dawn of the year, except for a February 20 statement, shortly after President Erdoğan's visit to Baghdad, that he will return to military duty and that his role will become more important. As the Iraqi military has struggled with ISIS, the Kurdish militias that have been battling the military has in their autonomy in the north and there is no sign of an end to the military players in a country that has raised the stakes between Turkey and Russia. Gen. Salih Khalaf, a Syrian general, confirmed in a January 25 interview that he had been in negotiations with Turkish officials to secure the withdrawal
